
TROPHEE LIONELL VAN DER HOUWEN 2026

SAILING INSTRUCTIONS

Version: 11 February 2026

1 RULES

- 1.1 The event is governed by the rules as detailed in NoR 1.
- 1.2 When the umpires proceed under RRS C8.6 they will be guided by SI Addendum D.
- 1.3 Further to NoR 1.3, the RRS is changed as follows:
 - (a) When flag AP is displayed ashore, '1 minute' is replaced with 'not less than 20 minutes' in Race Signals AP.
 - (b) RRS 32 is deleted and replaced with: 'After the starting signal, the RC may abandon or shorten any match for any reason, after consulting with the match umpires when practical.'
 - (c) Within a flight, when a visual signal is displayed over a numeral pennant, the signal applies to that match only. This changes Race Signals.

2 CHANGES TO SAILING INSTRUCTIONS

- 2.1 Any change to the SI will be posted at least one hour before the start of any race affected, except that any change to the schedule of races will be posted by 20:00 on the day before it will take effect.
- 2.2 Flag L over the numeral pennant of the most recent amendment will be displayed ashore on the day it will take effect until the boats have departed for the race course.
- 2.3 Changes to a SI may be made on the water. These will be signalled by the display of flag 3rd substitute with three sound signals from the Race Committee Vessel ('RCV'). An umpire may communicate these changes either verbally or in writing.

3 BOATS AND SAILS

- 3.1 Boats will be identified by bow number.
- 3.2 The sail combination to be used will be signalled from the RCV with or before the attention signal. The signals will have the following meanings:

<u>Signal</u>	<u>Sail combination to be used</u>
Flag R	No Spinnaker

4 FLIGHTS AND MATCHES

Further to NoR 7:

- 4.1 The match pairing lists are detailed in SI Addendum A.
- 4.2 The next flight number will be displayed on the RCV.
- 4.3 The RC may change the order of matches within a flight to allow starts to be brought forward to eliminate blank starts or to add a delayed match start to the end of a flight. The RC, or an umpire on behalf of the RC, will advise Competitors of any such change verbally.
- 4.4 When a match cannot start at its intended time, the signals and starts of the following matches will remain as originally scheduled, leaving a blank start for the pair not starting.

5 COURSES

5.1 Configuration (*not to scale*)

Windward Mark - 'W' o

Leeward Gate - 'L' o----o

Start/Finish Line o-----o

5.2 Signals and Course to be Sailed

Course signals will be displayed from the RCV mast, at or before the warning signal.

Mark W shall be rounded to starboard. In the event one gate mark L is missing, the remaining mark shall be rounded to starboard.

<u>Signal</u>	<u>Course</u>
No Signal :	Start - W - L - W - Finish
Flag S :	Start - W - Finish

6 MARKS / STARTING AND FINISHING LINE

- 6.1 Mark W will be Yellow.
- 6.2 Gate marks L will be Red.
- 6.3 The replacement mark, as provided in SI 7, will be Green.
- 6.4 When looking up the course, the starting and finishing line is between a staff displaying an orange flag on the RCV at the starboard end and the course side of a Yellow mark or a robotic mark at the port-end.
- 6.5 Routine movement of robotic marks will not be grounds for redress. This includes minor readjustments and marks returning to station after having been pushed away by a competitor, presuming these collisions do not cause damage. This changes RRS 61.4(b).

7 CHANGE OF THE NEXT LEG OF THE COURSE

- 7.1 To change the next leg of the course, the race committee will lay a new mark or move the original mark (in accordance with SI 7.1(d)). When in a subsequent change a new mark is replaced, it will be replaced by an original mark.

RRS 33, C3.1 and Race Signals are changed as follows:

- (a) At the preparatory signal for each match, Flag P will be replaced by a Yellow or Green flag.
- (b) A coloured flag or board with repetitive sounds means: 'The windward mark has been moved. Sail to a mark the same colour as the flag or board.'
- (c) When a change of course after starting only affects some matches, these will be designated by the appropriate numeral pennant.
- (d) The position of any mark may be adjusted by up to plus or minus 10 degrees relative to previous location and up to approximately 200 meters to windward or leeward without signalling a change of course.

- 7.2 When a change of course is made for the first leg, the signal will be displayed from the RCV at the preparatory signal for each match affected. The preparatory signal will be followed by a series of repetitive sound signals.
- 7.3 When a change of course is signalled after the first leg it will be displayed from the bow of the RCV.

8 OBSTRUCTIONS

The following area is designated as an obstruction. A breach of this sailing instruction is not open to protest by boats but is subject to action by umpires in accordance with RRS C8.2. This changes RRS C6.2 and C8.2.

- (a) A buoy may be attached to the RCV anchor line at just below keel depth. Boats shall not pass between this buoy and the RCV at any time. This area is designated as an obstruction. As part of the anchor line, this buoy is not part of the starting mark.

9 BREAKDOWN AND TIME FOR REPAIRS

- 9.1 Before the attention signal of a flight or within two minutes of finishing or within five minutes of changing into a new boat, whichever is later, a boat may display flag L to signal breakdown or damage to the boat, her sails or injury to her crew and request a delay to the next start. She shall proceed as soon as possible to a position just to leeward of the RCV and remain there, unless otherwise directed.
- 9.2 The time allowed for repairs will be at the discretion of the RC.
- 9.3 After the attention signal of a flight, a match will not be postponed or abandoned due to breakdown unless the breakdown signal was displayed as required by SI 9.1.
- 9.4 Except when RRS 61.4(b)(2) applies, failure to effect repairs in the time allowed, or breakdowns after the attention signal shall not be grounds for redress. This changes RRS 61.4(b).

10 TIME LIMIT

A boat that does not *Finish* within 5 minutes after her opponent has *Sailed the Course* will be scored zero points. This changes RRS 35.

11 RISK STATEMENT

Refer to NoR 13.

SI ADDENDUM D – DAMAGE PENALTIES

Match Racing Penalties for Damage resulting from contact between boats

Appendix C6.6 and C8.6 permits the umpires or protest committee to decide the penalty when a boat breaks RRS 14. This document explains how damage will be assessed and gives general guidance on the appropriate penalty. When the protest committee has good reasons to do so, it may apply a different penalty.

Damage will be divided into 3 levels as shown in the following table:

Level	Extent	Effect
Level A Minor Damage	Does not significantly affect the value, general appearance or normal operation of the boat.	Boat may race without repair although some minor surface work may be required after the event. Repairs should not normally require more than 1 hour of work.
Level B Damage	Affects the value and/or general appearance of the boat.	The damage does not affect the normal operation of the boat in that race but may need some (temporary) work before racing again. Requires more than 1 hour of work but should not normally require more than 3 hours of work.
Level C Major Damage	The normal operation of the boat is compromised and its structural integrity may be impaired.	The boat will need some repair work before racing again. Requires more than 3 hours of work.

Point Penalties - to be applied without a hearing (this amends RRS C8.6)

Level	Round Robin	Knock Out
A	None	None
B	Half point	Three quarters of a point
C	One point	One point

When both boats break RRS 14, they should both receive a points penalty. If a competitor requests a hearing when a points penalty is imposed, the protest committee may decide (in the hearing) to give a greater penalty.

Deductions from Damage Deposits

The assessment of damage level is only for the purpose of points penalties, and is not linked to any deductions from the competitor's damage deposits.

Any points penalty will be based on the assessment of damage level made on the water. Subsequent assessments of the damage level after closer inspection, whether the level turns out to be higher or lower, will have no effect on the points penalty given on the water.
